IT'S WHERE PROFESSIONAL COUNSELORS IN CONNECTICUT BELONG!

CCA knows that you work hard year to year to support your clients. We would like to support you in your professional goals whether you are at the beginning of your career or are a seasoned professional.

Regardless of what point you are at in your career, it is crucial to stay connected with the ever-changing field of counseling. Legislative changes can impact your life-long professional goals and ability to practice at any time. Being a member of CCA shows that you not only support the counseling profession, but it allows your CCA leaders to better represent and advocate for the professional identity and integrity of counselors in our state.

Here are some important benefits included with membership -

- Legislative advocacy on the state and national level
- Professional development and networking opportunities with discounted rates for members throughout the year, some are even free!
- Access to the “members-only” section of our website & “members-only” Facebook group
- *Find a Counselor* referral list for licensed counselors to advertise their practice
- Opportunities for graduate students and new professionals to connect with a more seasoned counselor for professional guidance and mentoring through our Mentoring Program
- Monthly E-Newsletter *The Connecticut Counselor*
- Access to consultation with our Ethics Committee
- Leadership opportunities
- Discounted membership with the Connecticut School Counselors Association (CSCA) for Professional members
- Reduced Student rate for one year post graduation; scholarships available for CCA events
