Eight Full-Service Offices and Ten Satellite Locations Stateside

The American Job Centers system is a partnership of organizations working as a team to promote a universal approach to providing effective workforce assistance to job seekers and businesses. This collaboration of state, regional and local organizations is designed to provide a seamless delivery system of programs and services.

American Job Centers are located throughout the state, offering resources ranging from employment workshops and résumé assistance for job seekers to recruitment services and tax credit programs for employers. Centers also provide Labor Market Information, an electronic job bank and specialized veterans' services. Whether a person is unemployed, looking for a different job, or interested in getting back into the labor market, American Job Centers services are available to anyone, regardless of employment status.
