Connecticut Counseling Association
A Branch of the American Counseling Association

Conference Sponsorship & Exhibitor Opportunities

Join counseling professionals and counseling graduate students at our conferences!

Typically, attendance to our conferences ranges between 150-185 attendees. Our attendees work in diverse counseling settings interacting with a broad range of clientele, including private practice, community agencies, school-based settings, universities, government, hospitals, and more!

All Exhibitor Tables will be inside the ballroom for the greatest amount of time with our attendees and to also provide vendors with the opportunity to attend the educational sessions. Breakfast and lunch included.
